

Dear Mooney Graduate:

This year Cardinal Mooney High School is celebrating a significant milestone — our Golden Jubilee. For 50 years, the school has built a reputation for excellence, a reputation built on the sacrifices made by the parents, friends, and alumni of Cardinal Mooney High School. We are grateful for the generosity of the Mooney Family and hope that, with your ongoing support, we will be able to continue providing quality Catholic education for many years to come.

Over \$1.4 million has been contributed to the school's annual fund since its inception in 1987. Last year, \$133,000 was pledged and over \$125,000 was collected. These gifts directly benefit all of our students, by making a contribution to both curricular and extracurricular programs. A large part of the funds are directed to the alumni academic scholarship program, the enrollment marketing program and the Cardinal Mooney Newsletter.

The attached brochure lists additional programs benefiting from the annual fund. Please review the brochure and consider the level of your support for this important fundraiser in light of the increased costs we have all seen in our own budgets.

The Cardinal Challenge Annual Fund is an important program for the school and its student body. Its funds are vital to maintaining economic stability for the school, and existing programs depend on the financial support of the annual fund.

The legendary devotion of Mooney's alumni, parents and friends has been demonstrated each year since the campaign started with steadily increasing contributions. It is because of this generosity that we have been able to continue to offer quality Catholic education to our students. Your generosity is appreciated, and we welcome your continued support.

Sincerely,
