FALL/WINTER 2016

Cardinal Mooney Celebrates Its 60th Anniversary!

On September 23, 1956, dedication ceremonies were held for Cardinal Mooney High School, which had welcomed its first students earlier that month on September 4th. It was a modest beginning, as some work on the new building had yet to be completed — photos show a crowded classroom with several boys standing in the back of it! Nevertheless, enrollment in the new school had reached 600 by September 10, and Mooney's 60-year tradition of Scholarship, Sanctity and Discipline was underway.

Presiding over the dedication ceremonies was Bishop Emmet Walsh, then Bishop of the Youngstown Diocese, who had worked tirelessly over the previous three years to spearhead fundraising efforts that made the new high school a reality. Another participant was Fr. James Malone, then Superintendent of Schools but later to become the longtime Bishop of the Youngstown Diocese.

Since that day in September 1956, thousands of students have passed through the doors of Cardinal Mooney High School, and have gone on to distinguished careers and positions of leadership in their communities. The Catholic education they obtained at Mooney also left them with the spiritual guidance that would influence every aspect of their lives.

As members of this year's freshman class pass through those doors and join the Mooney family, they're continuing a 60-year legacy of an educational experience that has made a difference — to students, their families and their community.

A LETTER FROM THE PRINCIPAL

Cardinal Mooney began the 2016-2017 school year on a very positive note, welcoming in the biggest freshman class we've seen in a number of years. The Link Crew, our mentoring program that includes Senior and Junior student representatives, did a fabulous job of welcoming the students and making them feel that they were truly official members of the Mooney Family from the very first day.

We were pleased with the need to add sections of classes and welcome additional staff members as a result. It is a sign of growth and advancement as we continue to reiterate our commanding presence in the city of Youngstown as one of the finest educational institutions in the area. It is also a testament to the efforts of many people who worked tirelessly to market and promote the Gospel-centered programming, rigorous curriculum and service opportunities we offer year after year.

We were blessed to have Father Martin Celuch, Pastor of Christ Our Savior parish, preside over our Opening of School Mass on Wednesday, September 7th in the auditorium. His homily centered on recognizing the gifts we possess and our responsibility to share those gifts with others. He emphasized the loving tradition of the Mooney Family and our ability to look within ourselves and others to realize our true nature as people of God — and to also understand the charge bestowed on us to love one another and avoid being someone or something we are not. The Mass was concelebrated by one of the newest members of the staff in our Theology Department, Rev. Peter Totleben O.P., who currently serves at St. Dominic's parish. It was truly a very spiritual and fitting way to welcome in the year.

I invite you all to come in and see not only the spiritual side of our students and staff, but also our updates and renovations from Phase II, as we continue to celebrate the gifts of our alumni, most notably Denise DeBartolo York and Eddie DeBartolo, Jr., in helping to ensure that Mooney will continue to be a shining gem of the Mahoning Valley for many years to come. Thank you for all you do and all you are. May God Bless the Mooney Family.

LEGACY TEAM Annual Fund Is Underway

Cardinal Mooney High School's Annual Fund Campaign started on July 1st, 2016 with monthly donations coming in through the website under "Sustaining Legacy Team Membership" and "Annual Decision Membership." It is now in full swing with a donation envelope attached to this newsletter. You can make your donation by filling out the attached postage-paid envelope and mailing it to Cardinal Mooney; visiting www.cardinalmooney.com and clicking on *Legacy Team Annual Fund*; or calling the alumni office at (330) 788-5113 and indicating that you want to make a *Legacy Team Annual Fund* donation.

The Legacy Team Annual Fund generates revenue to benefit both the academic and extracurricular needs of the school. In addition, funds provide academic scholarships and financial aid to the students of Cardinal Mooney High School. It has been through the growing involvement of the alumni, parents and friends, that the school has been able to sustain itself and thrive.

We'll also be conducting Phonathons again this year. The Alumni Phonathon will take place on Sunday, November 13th; Monday, November 14th; and Tuesday, November 15th from 6:00 pm to 9:00 pm in the Mooney cafeteria. Calls will be made to those alumni who have not yet made a donation to the fund. On these nights, all graduates from the classes of 1959 to 2006 will gather. We would like to have each class represented. Call ahead and make your reservation to attend. These will be enjoyable and profitable nights. Adult beverages and snacks will be provided. Please contact Sue Brandenstein (330) 788-5113, or email at sbrandenstein@youngstowndiocese.org or contact any alumni board member to reserve your spot.

On Sunday, December 4th Mooney students will be also be participating in soliciting donations. The students will be calling past donors who haven't yet donated. This will be the one and only opportunity for the Mooney students to earn a "Free Day." Students will be required to sign up prior to that night and hand in a permission slip. They must solicit \$100 in pledges or payments to earn their Free Day pass to enjoy whenever they choose.

PHASE II RENOVATIONS CONTINUE

As students and faculty began the new school year this August, they arrived at a building with a new facelift in many areas. Renovations began in June and continued throughout the hot summer days. The exterior of the building received new windows and siding in the courtyard and on the north, northwest and southeast side of the building. Also, a new ticket booth was built at the entrance of the field.

The interior renovations included asbestos abatement and installation of lights, floors and ceilings in the art corridor and art rooms as well as the gym corridor and surrounding rooms.

All corridors and rooms surrounding the first floor courtyard were also remodeled. A handicap ramp was installed in the cafeteria. Air conditioning was installed in administrative offices, the nurse's station and chapel. The industrial arts wing was redesigned to include a new darkroom, photo room and mechanical drawing room.
