Mooney marches on into the next school year

Dear Cardinal Mooney Family:

In March, as we were beginning to understand the impact of COVID, the State of Ohio would guide schools through the rapidly changing conditions of an evolving pandemic. With extraordinary effort, over three months of quarantine, Cardinal Mooney held to the course: safeguarding the health of its community; continuing to teach and learn so that its students could complete the semester; and helping to slow the spread of the virus.

Last Sunday, Cardinal Mooney conferred diplomas to the Class of 2020 in its first virtual graduation ceremony. Friday, as seniors came to school to pick up their diploma, drop off books, and be greeted once again by their teachers, I heard sounds of students, of joy, of mixed emotions, of hope. Most importantly, I saw and heard a community fully present. That will be repeated again next week for juniors, sophomores, and freshmen.

As we conclude the 2019-20 school year next week, I am ramping up for planning the 2020-21 academic year. I indicated last week that I intend to open in person next August. Fuller updates on academic planning will come in the weeks ahead.

As Governor DeWine reopens Ohio, we will align with those guidelines. For example, the phasing in of athletic activity is a first step. We will continue to operate prudently, working in close collaboration with the Diocese, city, county, peers, and Health Department. Please read the OHSAA requirements included in this bulletin, which explains the first three phases of reopening athletics.

Conditions continue to change weekly and uncertainty remains. So we will approach our decisions in a phased way going forward, as we have done up to this point. Working this way gives us the benefit to learn from the most up-to-date knowledge possible in order to make the best decisions we can under the current conditions and guidelines.

We know much more today than we did in March, bringing clarity that is both sobering and hopeful. We now know that the virus will be with us for months to come and we expect to have a "new normal."

However, there is clear evidence that the actions we and the State have taken helped to flatten the curve, kept people safe, and allow us to plan for reopening. The quarantine gave our health and scientific communities time to respond.

Every day our physicians and researchers increase their understanding of COVID-19. With summer approaching we have time to prepare for the reopening of campus and meeting in-person.

There is important work ahead. Navigating a pandemic well takes extraordinary effort, creativity, and compassion. No one could sustain such effort successfully alone, but we have done it together. Cardinal Mooney is blessed with a community that has pulled together and remains with us.

As we pause for summer vacation, I hope you will take time to rest and recharge. Hope and promise abound on campus, and nowhere is that more evident than in this photo. When we return next August, there will be four more killers to greet our students.

Sincerely,

Tom Maj

Peace Prayer of Saint Francis

Lord, make me an instrument of your peace:
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.
O divine Master, grant that I may not so much seek
to be consoled as to console,
to be understood as to understand,
to be loved as to love.
For it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.
Amen.

Athletes can start training under these guidelines

Dear Mooney Student Athletes and Families,

As we wrap up our studies for this school year, the OHSAA has allowed for the opening up of skill instruction and conditioning. At Mooney, coaches will begin these sessions on June 1. The session are voluntary, not mandatory. Please read the link to the OHSAA documents included with this letter so that you are familiar with what the expectations are.

There are three phases to the guidelines, with each one lasting two weeks, helping the student athletes and coaches safely ramp up their conditioning while minimizing the chance of spreading the virus. Our coaches agree with the gradual re-start for the students. We understand that this is a time to go slowly so that we can successfully progress to Phase Two after 2 weeks and finally to Phase Three after another 2 weeks. A parent/guardian and athlete must sign the **consent form** that is included.

Phase One only allows for a group of ten people to be together at one time to begin conditioning. **The ten include the coach(es) and athletes who will work and stay together in each group (or "pod") during these first two weeks.** Exercising with the same people helps reduce the chance of spreading any disease. Social distancing and good sanitation will be important.

Each athlete must come dressed for the workout, wearing shirts and shoes, with a mask, with his/her own water bottle clearly labeled and not shared with anyone, and shower at home after the workout. No locker rooms will be open. When a group is done, they are to leave and not hang out to watch others or to socialize in the parking lot.

There is a strict protocol for each session that requires a **daily health check** and that must be documented for an athlete's participation in any session. It will involve a temperature check, and verification that there is no fever, cough, sore throat, shortness of breath, or contact with COVID-19. If an athlete or coach is ill, he or she must stay home. No vulnerable person may participate in Phase One.

Please contact the coach listed below for the **schedule of workouts in Phase One** for their respective sports:

Sincerely,

Mary Anne Beiting, Ed.D.,

Principal

As we work to prepare for the 2020-2021 school year, we realize that uncertainties remain about whether COVID-19 will impact how the year begins. At this time of year we lay the groundwork for scheduling teachers and students. The more we can include each student's requests in the scheduling process, the better schedule we can develop. We know that the strength of the Mooney family will sustain us and continue to be strong as we look forward to next school year.

Yearbooks for freshmen, sophomores and juniors are now on sale. Seniors get their yearbook as part of the senior fee. Just go to <http://www.jostensyearbooks.com/> to order.

Pray for guidance, strength, and the needs of all affected by COVID-19

Return / retrieve days

Dear Mooney Families,

We want to thank each of you for all you did to continue with your education since we were last together on March 13th. We miss you all and look forward with great anticipation to the time when we can walk the halls of Mooney together again.

Due to the abrupt way we needed to close the school due to the COVID-19 pandemic, we realize that many personal items may have been left at the school building. We are providing an opportunity for students to retrieve their items when they drop off property that belongs to the school (books, Chromebooks and their chargers, sports uniforms, etc.). It is important for the safety of everyone and to maintain an orderly process that you follow the instructions below.

Below is the schedule for each class to participate. **Please come at the time indicated for your class year and the first letter(s) of your last name.**

Juniors	Sophomores	Freshmen
Monday June 1, 2020	Tuesday June 2, 2020	Wednesday June 3, 2020
A-K 9am-10:30am L-Z 10:30am-12pm	A-J 9am-10:30am K-Z 10:30am-12pm	A-J 9am-10:30am K-Z 10:30am-12pm

A later date will be scheduled individually if a student needs to have a sports locker cleaned out or you are unable to attend at your scheduled day and time.

Instructions for Juniors, Sophomores, and Freshmen:

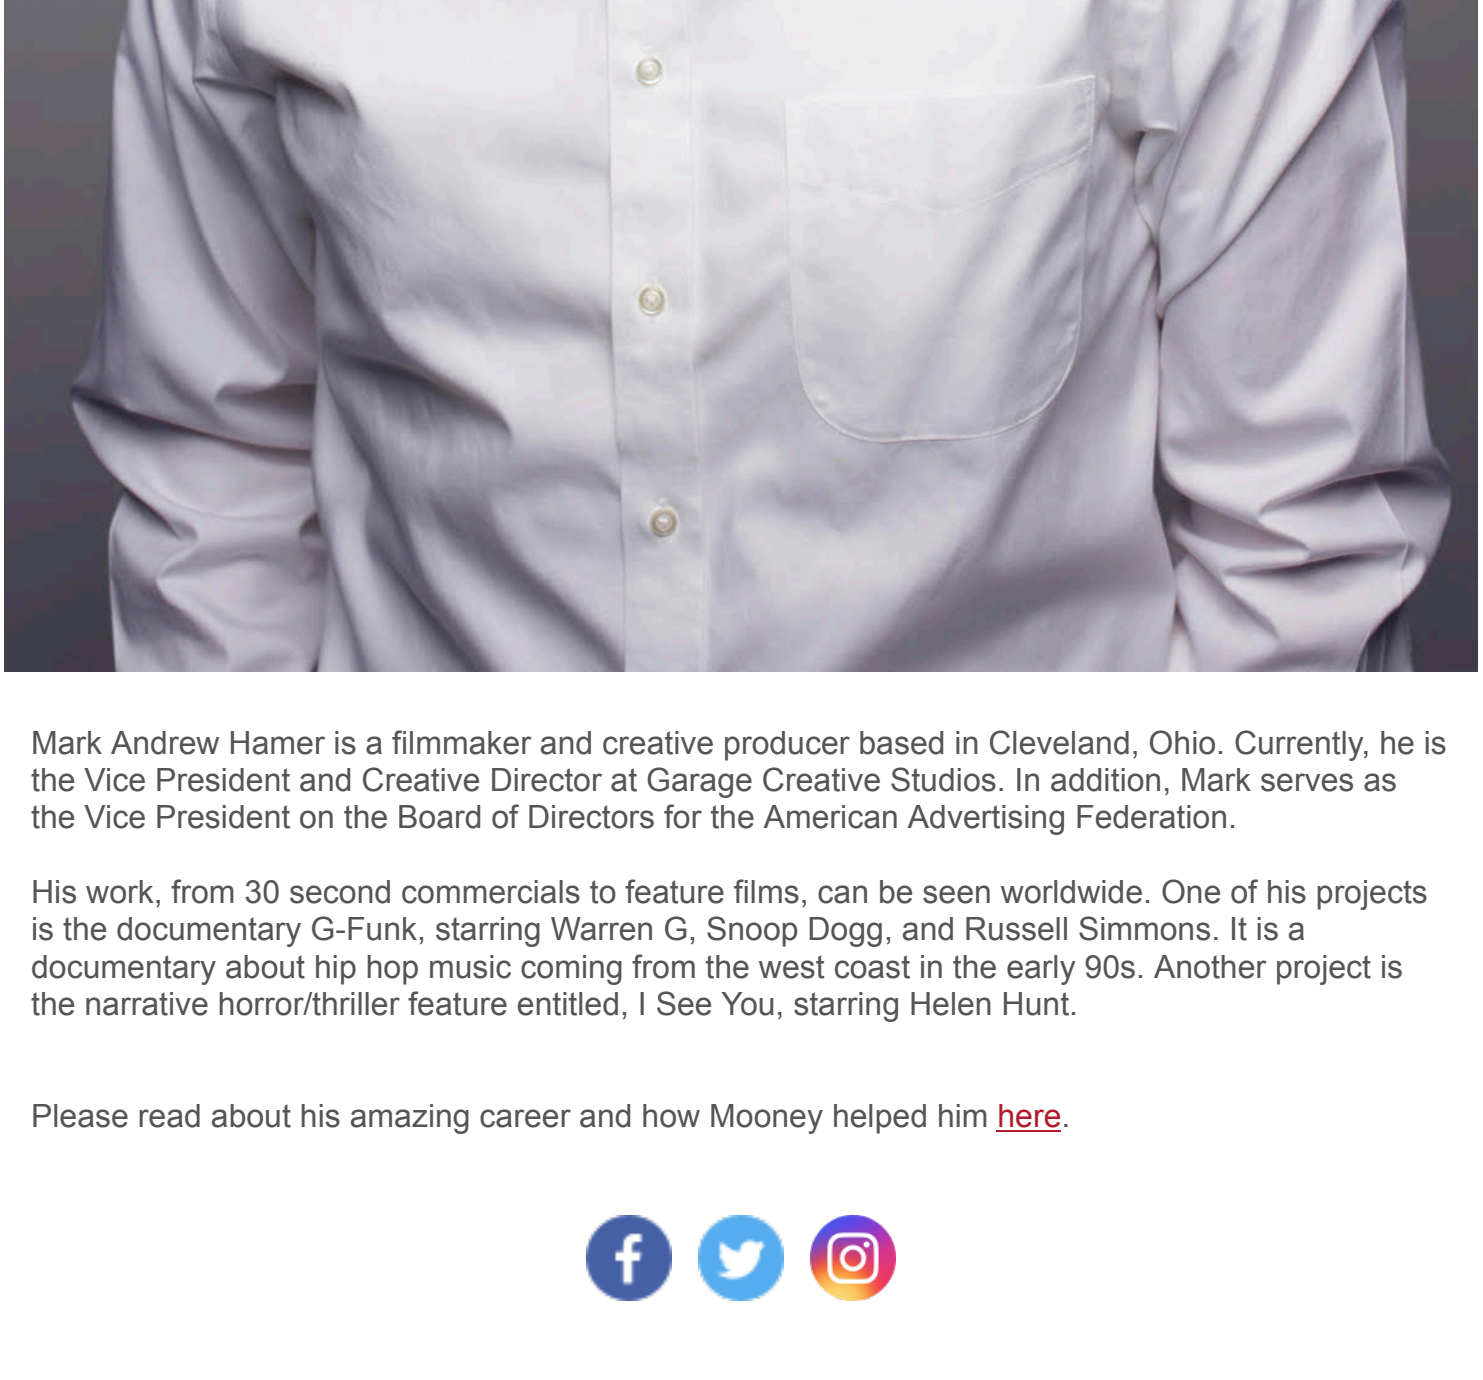

- You must return all school property to the school (books, Chromebooks and chargers, uniforms, etc.), so please bring them with you at the scheduled time.
- We ask that you wear a mask when interacting with the staff to keep everyone safe. If you are experiencing symptoms, especially a fever of 100F, please contact the school to make arrangements for a later date or have a healthy family member pick up/drop off for you.
- Pull into the U-shaped driveway (follow instructions of the security officer) and wait in your car until a staff member approaches your car to ask for the student's name.
- Please give your return items to the staff member and wait in your vehicle for the staff member to bring your locker items and any award certificates to you.

Thank you for your understanding and patience during this period of national concern. We appreciate your patience and cooperation with this process we have put together. We want to assure the safety of everyone, so it is important that we follow the social distancing. We wish we could linger and visit with you, but want to keep everyone healthy at this point.

If you have any additional questions, please contact Dr. Beiting or Mrs. Calko. Have a blessed summer! We look forward to seeing you in August.
