

When the people in the synagogue heard this, they were all filled with fury. They rose up, drove him out of the town, and led him to the brow of the hill on which their town had been built, to hurl him down headlong. But he passed through the midst of them and went away.

# MOONEY 2022

CARDINAL MOONEY SPEECH AND DEBATE

## Tournament Placers

 Sarah Owens - 1st - Lincoln Douglas  
 Millie Heschmeyer - 3rd - Dramatic Intep  
 Olivia DeCesare - 4th - Lincoln Douglas  
 Sophia Sdregas - 2nd - Lincoln Douglas  
 Elijah Williams - 3rd - Original Oratory

## Home tournament nets winners AND lessons

One of the greatest legacies the seniors on the 2021-22 Cardinal Mooney High School Speech and Debate team can claim is that they are the first class since the late '90s to host four consecutive home tournaments.

This means so much because we don't just open the doors on Saturday morning and make sure classrooms are open. Putting together a tournament takes weeks of preparation, and when the final award has been read, our students go home with the added satisfaction that they coordinated a very complicated event.

The program will always be grateful to our two four-year seniors, Olivia DeCesare and Millie Heschmeyer for their incredible contributions.

Once again, our students were asked to organize a tournament at every level — and they responded. From coordinating every room of the school, to making sure food and snacks were available for our guests, they did everything they could — all while making sure they were prepared to compete.

It's a massive accomplishment that can not be ignored. DeCesare, the team's president, actually organized the entire debate section of the tournament as a sophomore — and she helped do it again in her final year. Her, along with fellow senior Ed Driscoll, juniors Sarah Owens, Sophia Sdregas, and Phil Centofante; and freshman Mya Colella made sure the debaters were ready.

They were able to do this because Potential Development and its chief executive officer, Paul Garchar, opened their doors to us. Without their generosity, we could not host a tournament. We owe Paul and Potential Development a great debt.

Back at CMHS, junior public relations officer, Mitchel Bogan, made sure the more than 250 students competed in the correct rooms. He even had time to make an amazing hype video — and place fourth in United States Extemporeaneous.

Assistant coaches, Maria Bova and Charlie McDonald, were also invaluable. If there was a detail ignored, Maria found it. She also wrote every question for the extemp categories.

The entire Mooney Family stepped up. Here are just some of those who contributed:

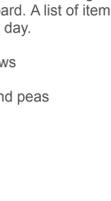

- School secretary, Michele Bova.
- Mooney alum, Roklyn DePerro Turner, Adriana Vennetti, Erik Vargo, Gregg Rossi, Maureen Baker, and Dan Driscoll all came back to judge! HOW AMAZING IS THAT?
- Kerry Manning Pregibon for making fantastic trophies and medals
- Cardinal Mooney president, Tom Maj
- Assistant principal, Janet Cadman, who made sure all of the technology worked for the entire day.
- Diane Mastro Nard for her unending support in all aspects of this program.

This is the only tournament hosted in the city of Youngstown throughout the season, and everyone who helped make this a reality for Cardinal Mooney High School needs to be thanked.

Now ... on to the state and national qualifying tournaments!

Sincerely,

Vince Taddei  
 Director of Forensics  
 Class of '92

POTENTIAL DEVELOPMENT

School for Students with Autism

The Cardinal Mooney Speech and Debate team would like to extend their gratitude to Potential Development for opening their doors to help host our tournament.

## Re-register NOW for the 2022-23 school year

Re-registering early allows us to properly prepare to deliver the Mooney experience that you expect!

## CADDY'S CORNER

A MESSAGE FROM ASSISTANT PRINCIPAL, MRS. JANET CADMAN

Hello Mooney Family!  
 Happy Sunday! Happy Catholic Schools Week! This has always been one of my favorite weeks in school. This week we are celebrating our community, our country, our future, our teachers and of course our students. I look forward to celebrating with our students and teachers the many joys and gifts that Catholic education brings.

As the snow continues to fall, please be safe. Also, please allow for extra travel time while coming to school.

For this week, I am still challenging all the students to:

- ★ Clean up their tables after flex time and lunch
- ★ Do your homework on the night it was assigned
- ★ Help out a fellow classmate or teacher
- ★ Arrive to school 8 minutes before the tardy bell rings
- ★ Arrive to class 2 minutes before the bell rings

Any student who is interested in being a part of the student ambassador program, please see Mrs. Cadman Monday.

Also, any student who is interested in being a part of the ski club, there will be a very important meeting after school on Monday.

To find out what is happening during flex time this week, please see your class Google Classroom page.

Please make sure that you are making arrangements to be picked up after school by 4 p.m. If you have basketball practice, you are to remain in the gym sitting in the bleachers. If you are with a club or another after school activity, you are to be in the assigned area for that activity. No one is permitted to be wandering around the halls unsupervised after school.

Have a wonderful week! Study hard! Be on time and...Smile and make a new friend every day!  
 - Mrs. Cadman
