

For astonishment at the catch of fish they had made seized him and all those with him, and likewise James and John, the sons of Zebedee, who were partners of Simon. Jesus said to Simon, "Do not be afraid; from now on you will be catching men." When they brought their boats to the shore, they left everything and followed him.

Students can stop and check outside of the counselor's offices to find information on a new and exciting career opportunity. Information such as salary and job description will be posted.

This year, Cardinal Mooney has chosen to honor our students in a special way. Each semester, two students from each grade level will be selected to be Caring Cardinals. Caring Cardinals are diligent and hard-working students, put forth outstanding effort, are involved in school activities, have Christian values, and are polite, positive and helpful to others. School Cardinals excel in scholarship. They also exhibit qualities such as leadership, service to their school and community, Christian values, and good character. Students are only permitted to earn each award once per school year. Our faculty and staff nominated students whom they felt met these qualifications, and then voted once the list was compiled. Students will be treated to a special breakfast and certificate. Here are the winners from semester 1:

- Caring Cardinals:**
- Freshmen: Samantha Rotunno & Alexa Vargo
  - Sophomores: Dayna Hughes & DaVeon Hugley

**CMHS Speech & Debate**

**Next two weeks require perseverance, positivity**

The season, which started in October, boiled down to the state qualifying tournament on Saturday in Canfield. The day's emotional range stretches from euphoria to heartbreak, but at its end always lies hope.

For many, the dreams of getting a spot at the state tournament are realized, but the story doesn't always happen the way we all want. It's a time to celebrate the achievements of many, but also make sure others keep their strength for the next opportunity.

Her third year, senior Millie Heschmeyer (Dramatic Interpretation) punched her ticket to year-end event. Bogan saw six judges, and FIVE of them gave him a first-place vote; the other awarded him a second-place tally.

Joining him on Saturday was junior Gun "Sherlock" Jung, who will make his first-ever appearance at the state tournament. A student from South Korea, Sherlock came to Cardinal Mooney with English as his second language. Every success within Cardinal Mooney Speech & Debate is tied to our tradition, but this is truly proof that our system works. None of that works, however, if students aren't willing to work. LIKE others, Sherlock can be seen running his speech in our room in the minutes BEFORE school.

The trio of Heschmeyer, Bogan, and Jung join seniors Olivia DeCesare and Ed Driscoll, and junior Sophia Sregalas, who each earned enough bids to the state tournament during the regular season.

In two weeks, the team travels to Howland to take part in the national qualifying tournament, where students can also earn spots to the state tournament. Along with four congress competitors, the team expects to snag a few more spots then.

Thank you all for the emails, gifts, and support! We couldn't accomplish anything without the support of the Mooney Family.

Sincerely,

Vince Taddei  
Director of Forensics  
Class of '92

A MESSAGE FROM ASSISTANT PRINCIPAL, MRS. JANET CADMAN

Happy Sunday! As we are continuing to shovel out from the weather. As much as I love the snow, I am ready for spring! This week brings our "Mini Ursuline Week". Each day, the students and faculty are encouraged to participate each day. Monday is Meme/Mismatched Day. Monday, students will also be treated to Handel's Ice Cream during Lunch. This is from student appreciation day during Catholic Schools Week. Tuesday is Jersey Day, Wednesday is Hat Day, Thursday is Disney Day, Friday is Black Out. Friday is also the Basketball Rally.

As a reminder for the boys and a follow up to the announcement that was made last Tuesday, you must be clean shaven. Mrs. Cadman and Mr. Monter have razors and clippers in their offices. Any boy who is not clean shaven will receive a detention and will be asked to shave.

This year, all students are eligible to receive free breakfast and lunch. Any extras (chips, water, pop, ice tea, pizza etc.) are not included in the free breakfast and lunch. Any student who owes money on their lunch account, please send either a check or cash with them to the cafeteria. If you have any questions, please feel free to contact Mrs. Cadman.

Please have your students arrive before 8 a.m. We have had an increase in the number of students who are coming to school late. If your student is going to be late, please call the office or send a note with your student.

The challenge for this week for all students is

- ★ Arrive to school 8 ½ minutes before the tardy bell rings
- ★ Arrive to class 2 1/2 minutes before the bell rings
- ★ Clean up their tables after flex time and lunch
- ★ Do your homework on the night it was assigned
- ★ Help out a fellow classmate or teacher

To find out what is happening during flex time this week, please see your class Google Classroom page.

Please make sure that you are making arrangements to be picked up after school by 4 p.m. If you have basketball practice, you are to remain in the gym sitting in the bleachers. If you are with a club or another after school activity, you are to be in the assigned area for that activity. No one is permitted to be wandering around the halls unsupervised after school.

Have a wonderful week! Study hard! Be on time and...Smile and make a new friend everyday!

*Did you hear about the restaurant on the Moon?  
Great food but no atmosphere!*

*Hahaha! Have a great week!*
