

Dear Parents / Guardians:

Welcome to a new school year at Cardinal Mooney High School! As we begin the 2019/20 academic year, we would also like to welcome you to the **Cardinal Mooney Home and School Parent Association (HASPA)**. This parent organization promotes volunteerism, service, and leadership for Cardinal Mooney High School and helps facilitate communication among parents within the school community. Currently, HASPA coordinates and/or helps with the following important events and activities:

- “Freshman Parent”
- Refreshments at Quarterly Parent/Teacher Conferences
- Christmas Tree Lighting
- Academic Letter Awards Assembly
- Cardinal Mooney Open House
- Academic Banquet for Junior and Senior Student Scholars
- Senior Breakfast Reception for Senior Students and their Families
- Other Special Events and Projects deemed worthwhile by CMHS Administration and Parents

The Cardinal Mooney Home and School Parent Association is **not** a fundraising entity and depends on your support to help offset the costs of these events and activities. **The requested family contribution is \$20.** Please complete and detach the form below and return it with your contribution in an envelope marked “HASPA” to the school office, the Cardinal’s Nest, to any HASPA sponsored event, or directly to a HASPA volunteer.

Again, welcome, and thank you for your involvement and your support!

*The Cardinal Mooney Home and School Parent Association*
