# Charting our course

Dear Cardinal Mooney Community,

With great excitement and anticipation, I address you in the pages of our annual magazine, The Messenger. As you will see, this edition is of particular significance because it includes the story of our Strategic Plan 2024-2029. The plan is a result of a six-month transformative process that engaged the collective wisdom and diverse perspectives of our community, from dedicated board members to wonderful parents, alums, teachers, and staff.

The Strategic Plan, meticulously crafted by the Strategic Planning Committee, is not merely a document but a living guide that charts our course toward a future where Cardinal Mooney flourishes. Three paramount operating focus areas emerged as the heartbeat of our strategic roadmap: Student Experience, Marketing and Enrollment, and Funding. These pillars are the guiding principles that will shape the Cardinal Mooney experience for our young men and women. It is a testament to our commitment to excellence in every facet of our institution.

In this edition, you will also find stories from this past semester illustrating the terrific things happening in our halls daily. These stories are just a few examples of how we continue to live our mission of Sanctity, Scholarship, and Discipline.

May The Messenger continue to be a chronicle of our shared achievements, aspirations, contributions and the enduring spirit of Cardinal Mooney. I look forward to the exciting chapters and the collective success we will undoubtedly achieve.

With gratitude,

**Nick Beyer**  
President/Principal  
Cardinal Mooney High School

Principal

# CARDINAL MOONEY MESSENGER ATHLETICS

## Your Legacy Our Future

As we embark on a new year, I want to share my excitement and vision for the future of our sports programs.

First and foremost, I want to express my gratitude to all the athletes, coaches, parents, and supporters who have made our teams a source of pride for our school. The dedication and passion exhibited by the Cardinal Mooney Family is as strong as ever. This is evident in the amount of our young people who dedicate themselves to be more than just students. To date, nearly 85% of our student body engages in sports and extracurricular activities. That is a testament that we are living our mission of creating a supportive atmosphere where students can discover their abilities.

The first semester featured great individual and team accomplishments. The second half of the year already got off to a historic start, as senior Rocco Turner broke the school's all-time 3-point shot record.

In the long-term, we continue to make improvements to our state-of-the-art training facility, The Armory. We are also working diligently to replace the multi-sport field and track in the near future.

I am confident that with dedication, collaboration, and a shared commitment to our values, the future of Cardinal Mooney's athletic department will be nothing short of extraordinary.

**Carl Pelini '83**  
Athletic Director/Head Football Coach

### FOOTBALL POST SEASON AWARD WINNERS

On January 7 at its yearly banquet, our football team honored the following seniors:

#### RON STOOPS AWARD

Ashton O'Brien

#### MOST IMPROVED PLAYERS

George Gabriel & Matt Kay

#### DENNY BARRETT AWARD

Geno Bova

#### MASCOT AWARD

Will Desmond

#### MARK VINCENT PELINI AWARD

Chris Flora

Angel Alvarez,  
Will Desmond,  
and Alex Eckstein

# *A Vision* FOR THE FUTURE

In the corridors of Cardinal Mooney High School, a powerful vision is taking shape. As our traditions continue to inspire us, we must always look for new ways to ensure that future graduates are as dynamic as those who came before them. The goals Cardinal Mooney sets before its students will never change, but fresh new paths to achieving them must always be found.

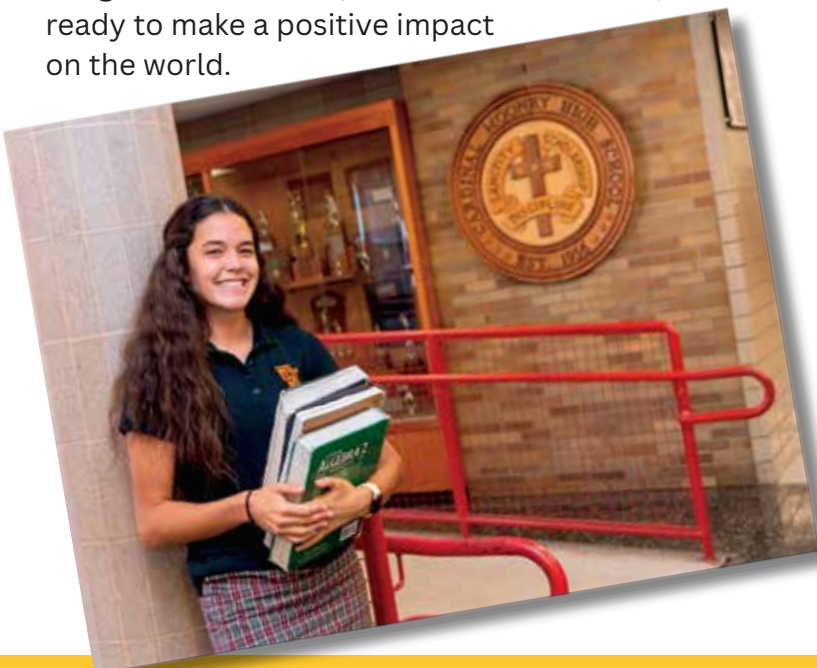

To achieve this, we have formulated a strategic plan guided by our values of Sanctity, Scholarship, and Discipline. With the help of Advancement Partners, Cardinal Mooney president and principal, Nick Beyer, led an effort to collaborate with faculty, staff, parents, and students to develop a comprehensive plan that will shape the school's future for years to come. The plan focuses on these key pillars: Student Experience, Marketing and Enrollment, and Funding.

“A strategic plan provides a blueprint for our continued improvement for the next four or five years,” Beyer said. “It is a call to action for the board of directors, the administration, and the entire faculty and staff for areas to focus on our improvement. Specific tasks and programming to be implemented or completed over that course of time will also be in focus.”

Advancement Partners is a consulting firm that specializes in institutional advancement, strategic planning, and capital campaign management for Catholic high schools.

“Cardinal Mooney, like most Catholic high schools, is in the most highly competitive, challenging time in its history. The business of Catholic secondary education is extremely difficult. Catholic high schools have always excelled at providing top notch education and still do. The primary challenge is sustaining enrollment and maximizing philanthropy. Those two fundamental elements were not an issue when many of us were in our Catholic high school years ago but the world has changed significantly,” Terry Fairholm, president of Advancement Partners, said. “Cardinal Mooney, as a result of new and enthusiastic leadership, and the recent strategic planning process, is poised to accept and overcome those challenges and make a huge impact on the Youngstown community going forward.”

The strategic plan at Cardinal Mooney High School is not just a roadmap for the future — it's a testament to the school's unwavering dedication to its mission. As the plan unfolds, it is clear that Cardinal Mooney is not only preparing students for academic success but also shaping individuals who are grounded in faith, committed to service, and ready to make a positive impact on the world.

# ROOTED IN TRADITION, WITH EYES ON TOMORROW

*Marketing and Enrollment and Funding form two major parts of the strategic plan, but Student Experience is the most extensive part of our effort. To develop this, we have forged a path through our core pillars.*

## **SANCTITY**

To incorporate Catholic values into daily practices, the goals are to infuse Catholic identity into all activities, inspire a spiritual movement by promoting compassion and generosity, and connect and grow with like-minded organizations.

## **SCHOLARSHIP**

Our plan aims to enhance the college-prep curriculum, strengthen technological literacy, develop a four-year guidance program, implement an innovative schedule, recruit and retain faculty with relevant expertise, and invest in teacher professional development and curriculum resources.

## **DISCIPLINE**

We will promote self-discipline and personal responsibility among students to create a positive school culture, setting clear expectations for codes of conduct, improving communication among faculty, staff, and parents, and encouraging parental involvement for every family.

Co-curricular activities and athletics will benefit from expanding and enhancing programs, proper staffing, and improved competitiveness. Our campus and facilities efforts will focus on providing a safe, welcoming learning environment, modernizing the main building, creating a learning center with makerspace, and expanding campus.

### Experience

US ARMY – Combat Engineer, Corps of Engineers, Special Operations (Airborne/Ranger) Various Positions US ARMY (E1-O6), 1978-2001)

ExxonMobil Corporation – 37 years, Variety of Management and Executive assignments in Engineering, Planning, R&D, Major Projects and Environmental including 12 years of expat assignments (Hong Kong, United Kingdom, Singapore) (1986-2022)

### Awards and Acknowledgements

- Military Awards: Legion of Merit, Bronze Star (V), Meritorious Service Medal, ARCOM (4), Army Achievement Medal (3), Humanitarian Service Medal, Army Reserve Ribbon, and more!
  - MOBIL Top Engineer Award (1987,1988,1990, 1992, 1996)
  - MOBIL Chairmans Award (1990)
  - MOBIL Chairmans Community Service Plaque (1992, 1995, 1998)
  - ExxonMobil Advance Skills Award (Design Development, Project Management, Project Execution ...)
- And much, much more!

His deep devotion to service is founded in his education at Cardinal Mooney. He has fully embraced the motto of Sanctity, Scholarship and Discipline.

*William's wife, Leona*

**CARDINAL MOONEY HIGH SCHOOL** extends deepest condolences to alumni, family, and friends who have passed. We pause to remember and pray for the following losses in the **Mooney Family**.

## Don F. Bucci and Roy Nard Jr.

In 2023, we lost two iconic figures. On Feb. 11, football coaching legend Don Bucci passed at the age of 89. Then on Nov. 23, Thanksgiving Day, Roy Nard Jr. left behind an unmatched legacy on the basketball court. Both men will be dearly missed.

## SCHOLARSHIP

# New programs to set Cardinal Mooney apart

Cardinal Mooney has introduced new academic programs to enhance the educational experience: Juniors and seniors can enter Biomedical Sciences and Engineering, while freshmen can jump straight into Studio Art.

### Biomedical Sciences

Students will engage in issues, such as disease, DNA analysis, medical terminology, microbiology, epidemiology, and public health. They will gain practical experience with techniques used in hospitals and labs daily. Collaboratively, students will explore the prevention, diagnosis, and treatment of diseases, working towards innovative solutions for 21st-century health challenges.

### Engineering

By encouraging students to discover new career paths, broaden their possibilities, and develop essential engineering knowledge and skills, this program aims to immerse students in the multifaceted roles engineers play in society. Through team-based projects, students will design and test solutions, fostering the development of critical 21st-century skills like collaboration, critical thinking, and communication.

### Studio Art

While encouraging students to delve into a wide range of artistic expressions, this program emphasizes exploring various 2D and 3D media and techniques.

*Janet Cadman*  
**Assistant Principal**

# A MISSION

## SANCTITY

# Father Rovnak engaged in spiritual guidance

If you've attended an event at Cardinal Mooney High School, chances are, you've seen first-year chaplain, Father John Rovnak.

From teaching students about feast days to being at sporting events all over Northeast Ohio, Father Rovnak has been committed to being a present spiritual leader at Cardinal Mooney.

"It's been an honor and a joy to be here – to work with the faculty and students – and to be present," Father Rovnak said. "I'm still learning how to be a priest and a school chaplain, so it's been a fantastic experience."

Father Rovnak is also the Parochial Vicar at both Holy Family in Poland and

# RENEWED

Our Lady Of The Holy Rosary in Lowellville, and amidst the long hours, he finds great inspiration from our students.

“Seeing the look on the kids’ faces when they understand something – when they start believing in something – and those first seeds of faith is what inspires me,” he said.

A graduate of Lowellville High School, Father Rovnak also attended St. Matthias School. He then graduated with a business degree from Youngstown State University. He worked for several companies before entering seminary, and in 2023 earned his Master of Divinity and Master of Arts in Theology from Saint Mary Seminary and Graduate School of Theology in Wickliffe.

He also has some roots in Cardinal Mooney, as his father, Tom, is a 1973 graduate. All of this has provided a solid foundation to being a part of the Cardinal Mooney Family.

## DISCIPLINE

# New uniforms reflect Catholic identity

Just before the Class of 2023 left our halls, the administration, in collaboration with parents, teachers, staff, and alumni worked together to update the dress code for the 2023-24 school year.

“Dressing in uniform encourages the development of self-discipline, pride and tradition, and unity among the student body,” Cardinal Mooney president and principal, Nick Beyer, said.

The major change for this year is bringing back the traditional Catholic school skirt. Athletic Administrative Assistant Michele Bova worked with Soup City Designs in Boardman to find a skirt that features cardinal red. In an effort to make it easier for parents to shop and for our students to look their best, both boys and girls can wear khaki or gray dress pants.

The new polo shirt has our traditional interlocking CM and comes in three colors: cardinal, white, and black.

## THE ANNUAL APPEAL

The purpose of the Cardinal Mooney Annual Appeal is to fund the gap between the actual cost of educating a student and the tuition charged. Most Catholic schools have this gap as a result of efforts to keep tuition affordable for deserving students who want a Catholic education. This year the Cardinal Mooney gap per student is \$3,800.

The Annual Fund provides unrestricted funding that will be used for this school year's operating costs such as:

- Faculty salaries that allow our 14:1 student-to-teacher ratio, allowing small class sizes
- Faith formation activities, including an all-school service day and class retreats
- No-fee athletics, allowing students to participate in any of 18 varsity athletic teams at no charge
