Seniors

Cardinal Mooney is proud to recognize our seniors for their hard work and dedication over the past four years. We will announce all scholarship awards at the Awards Assembly on May 22nd, and include them in the graduation program.

Seniors and their families are encouraged to submit any scholarships received from colleges or universities they were admitted to, as well as any outside scholarships earned. The deadline to submit scholarship information is **Friday, May 2nd**.

Thank you for helping us celebrate the accomplishments of the Class of 2025!

PreACT & ACT

Student scores are back from testing at the end of February. Sophomores will receive their PreACT test booklet and answer document within the next week. This information can be helpful in preparing for the ACT. Juniors have an ACT account where they can access their scores. They will also receive a printout of their scores this week. Many schools, such as Ohio State, will not be test optional next year

IOWA TESTING

As part of the state graduation requirements, students at Cardinal Mooney must pass the IOWA Assessment with a minimum total score of **255 on the two mathematics sections** and **249 on the three English Language Arts sections**. These assessments are also used to renew students who are on EdChoice and The Peterson Scholarship.

Students who need to test were notified by mail prior to spring break.

IOWA Assessment retakes for students who have not met the minimum requirements and **ALL FRESHMEN** will be held on the following dates:
