Statement of Understanding

Our family understands that our relationship with Cardinal Mooney High School is contractual and contingent upon our adherence to the philosophy, policies, and procedures of the School. I am aware that the Family/ Parent Handbook is posted on the school's website or I have received a copy of the School's Family/Parent Handbook that contains the School's philosophy, policies, and procedures and I acknowledge and agree that adherence to the School's philosophy, policies, and procedures is an express condition for admission and continued enrollment by the student. I understand that this agreement is for the 2026-2027 school year, and continued attendance at Cardinal Mooney High School will be determined annually.

It is understood that a parent's obligation to pay the charges for tuition, student fee, and other school fees for the full academic year is unconditional and that no portion of such charges so paid or outstanding will be refunded or canceled notwithstanding the subsequent absence, withdrawal, or dismissal from Cardinal Mooney High School of the student. It is understood that enrollment may be canceled in writing, without penalty prior to August 1. If enrollment is canceled after August 1, parents or guardians financially responsible for the student are obligated to pay a portion of the tuition prorated for the school year.

ADDITIONAL TERMS AND CONDITIONS

1. I agree that all payments owed under this Agreement will be paid by the due date corresponding to the payment method(s) selected below. I understand and agree that, regardless of what payment option is selected, I am personally responsible for the payments and for ensuring that the tuition and fees are paid in full. Should I be late in making any payment, I understand that the following process will be followed:
 - a. I, and the other parents/guardians (if they are not me), will be notified of any payment not received.
 - b. A \$50 late fee will be assessed on FACTS Tuition.
 - c. I will be given five calendar days to bring the account to current status.
 - d. If, within five calendar days, the account is not brought to current status, I may be required to meet with the school administration to discuss my student’s enrollment status. The school may immediately take any action available and consistent with applicable law in order to collect unpaid tuition owed by me/us including, but not limited to, limiting access to field trips and extra-curricular activities, withholding academic transcripts, referral to a collection agency, and/or the institution of a civil lawsuit to recover the unpaid balance.
2. Any family with an unpaid Tuition and/or Fees balance for the current School Year will not be allowed to register for the following School Year. School records, diplomas, or transcripts may not be released until the current year’s Tuition and fees are paid unless special arrangements have been made in writing and signed by the School principal or School president.
3. Prepaid Tuition will only be refunded in full if the school receives written notice of cancellation before the first day that classes for the school year are scheduled to start. Fees are non-refundable.
4. Once the School year begins, Tuition refunds are made quarterly. Should a Student attend School for any portion of a quarter (one day or more), the full tuition amount for that quarter is owed, and no portion of that quarter’s tuition will be refunded except at the discretion of the President or Principal.
5. The Student(s) and Student's parents/guardians agree that they and their child(ren)/ward(s) will abide by the policies and guidelines as stated in the School Handbook.
6. Returned checks: If two checks are returned for insufficient funds, the school will no longer accept personal checks, and you will be required to pay in cash, with a certified check from a local bank, or through FACTS or another electronic payment provider at the school’s discretion.

By signing below, I agree that I have read and understand all of the terms and conditions contained in this agreement (including the mandatory **\$400 life fee for all students not covered by scholarship**), and I agree to be personally and legally bound by those terms and conditions.

My preference for tuition payments, understanding that this can change based on financial aid and scholarships, is:

- Pay in Full by cash, check, or credit card/Apple Pay via invoice link
If by check, make checks payable to Cardinal Mooney High School.
- Semi-Annual Payments, registered in FACTS; Payments will be made on August 1 and February 1.
Balance must be brought to zero, with the final payment due February 1.
- 10 Monthly Payments, registered in FACTS; Payments will be made on the first of each month. Balance must be brought to zero, with the final payment due May 1.

Please note: If student fees are the only charges left on your account after all scholarship monies are awarded, you are still required to pay the fees via the options above.
